Guiding Principle

We must never send our citizens to war or ask them to protect our neighborhoods and then treat them with indifference, nor imagine that they are separate from us. They have been asked time and time again to act on the razor's edge of life and death, in the face of evil and of goodness, in the grip of fear, knowing their families might live on without them. We are one nation, and we extend compassion to one another, always.

Dr. Ross Porter of Stillpoint Family Resources

"Habits (Virtues) That Lead to Happiness"

6:30 to 9:00 PM
American Legion Pasadena, Post 13
131 N. Marengo Ave.
Pasadena, CA
